10th December	Christmas meal – Shoulder of Mutton
2017	Talks

Editorial

AGM

The minutes of our 2016 are available on our website, in the *members > private documents* area.

Several committee members stepped down at the AGM and the roles they had filled are vacant. We urgently need members to step-up to fill the following position, even temporarily:

- Chairman (officer role)
- Secretary (officer role)
- Newsletter Editor (informal position)
- Events Secretary (informal position)

There may be more updates after next week's committee meeting, but we wanted to get this newsletter out ASAP to advise of changes to our calendar of events (see below).

Thanks to Andrew

NBBKA again thanks Andrew Beer for his sterling and indefatigable work over the last few years: with the beginners, as chairman, and as newsletter editor. We hope you are able to enjoy your bees in relative peace.

Land for beekeeping

Agnes Muncey is offering land for keeping bees in Littlecote near Stewkley. Please contact 07919 686076 or email agnesm@btinternet.com if you would like a new apiary location.

Events

Please note the changes to location and dates of our coming events. Unfortunately the Shoulder of Mutton pub double-booked us for our Christmas mal, so it has been pencilled-in for 10th December at the same location. Thanks to Nick Hinson for arranging this; please reach him at membership@nbbka.org to tell him you'd like to attend.

The lecture on 22nd November will now be held in the upstairs function room of the **New Inn pub**, on Bradwell Road in New Bradwell.

Our calendar for 2017 is to be finalised.
